These first eighteen CALLS are in reality nineteen--that is nineteen in the Celestial Orders, but with us, that First Table hath no CALL and can have no CALL seeing it is of the GOD-HEAD.

Thus, then, with us it hath the number of "0", though with them, that of "1" (even as the first Key of the Tarot is numbered "0"); and therefore, that which is with us the eighteenth KEY, is with them the nineteenth.

After these first eighteen, follow the CALLS and KEYS of the AIRES or 30 AETHERS, which are the same in substance, though varied by the NAME belonging thereto.
